Reception visit Clara Vale

What a lovely day we had last Wednesday, we were so grateful that the weather was that perfect autumn mix of cold but sunny.

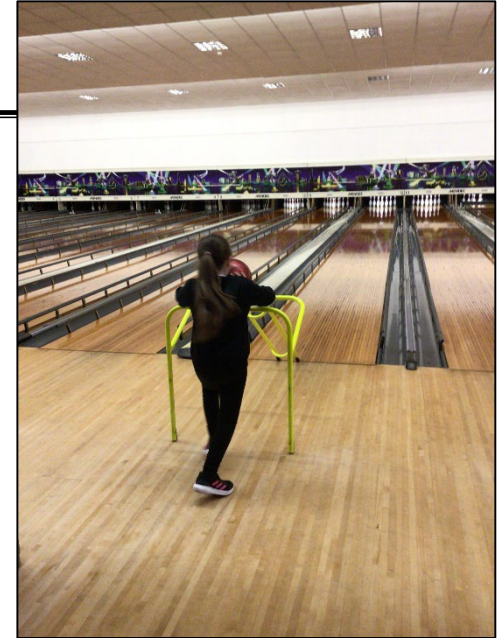

We walked down to Clara Vale, quite a way for little legs, stopped at the village hall for an energy boost of juice and a biscuit and then we set off on an adventure to the bird hide. Using binoculars, the children spotted lots of small birds on the feeders, especially blue tits, but we were very excited to also see lots of squirrels and even a kingfisher by the pond.

We had a play on the field, some football and some parachute play, and then we walked back up to the hall for some much needed lunch. After lunch, we walked through the nature reserve, spotting and collecting autumn treasures on the way to make an autumn crown.

We finished the day with a play in the park and catching the coach back to school.

What a fun packed day... Reception were all super stars and a big thank you to the grown-ups that came with us.

Last week, a group of 12 children from across school attended a competitive bowling event in Sunderland. We played as two teams against some other Gateshead schools. The children were brilliant team players and we were so happy to see how well they supported each other.

We are thrilled to say that Emmaville came away with 1st and 2nd place and the children were delighted with their gold and silver medals.

Well done!

Mrs Morren
