

### History and Geography

- Use maps to locate hot and cold areas of the world including the Arctic and Antarctic.
- Create a daily weather diary
- Find out about the impact of mankind on the planet and how this can affect weather patterns.
- Learn how the Arctic and Antarctic have changed over time.
- Learn about different environments and physical features e.g. the Great Barrier Reef, the rainforest, African plains.
- Learn about animals that are struggling to survive in these environments.
- Learn how we can minimise our impact on the planet by reducing, reusing and recycling.

### Physical

- Dance - remember and repeat movement phrases and patterns with control and co-ordination.
- Basketball with coach
- Daily Active8
- Fun Run at Saltwell Park

### Computing

- Understand that instructions need to be precise in order to be followed.
- Use Turtle Academy to understand coding and give instructions.
- Predict the behaviour of simple programs.
- Use technology to help learning spellings and maths skills.

### Science

- Create a daily weather diary.
- Know that plants grow from seed.
- Observe how plants develop from a seed.
- Label the parts of a plant.
- Learn about the life cycle of a plant.
- Learn what a fair test is.
- Test what conditions a plant needs to grow.
- Plant a broad bean and record its changes.

Year 2

Summer 1

### Art & Design and Design & Technology

- Learn about the artist Anthony Goldsworthy and create artwork with a similar style using natural objects.
- Create tropical birds and fish using colour, pattern and texture.

### Music

- Earth song- Michael Jackson
- Reduce Reuse Recycle- Jack Johnson

### Visit/Visitors

- Basketball coach
- Fun Run at Saltwell Park

### English

- Recount
- Information leaflet about recycling.
- Letter to persuade people to recycle and advise them on why recycling is good for the environment.
- Read stories linked to protecting the environment and write our own stories.
- Conjunctions, expanded noun phrases, different types of sentences, spelling rules.

### Maths

- Time  
o'clock, half past, quarter past, quarter to and five minute intervals.
- Fractions of numbers and quantities.
- Addition and subtraction of two digit numbers.
- Multiplication and division by 2, 5 and 10.
- Days of the week and months of the year.

### RE/Personal, Social and Emotional/SEAL Relationships

- Read and discuss the story of the Rainbow Fish.
- Investigate the feelings of the characters in the story and relate these to real life.
